Sister Mavis duCille went home to be with her Lord and Saviour on November 22, 2008. Brother Cecil duCille went home to be with his Lord and Saviour on October 20, 2009. They faithfully served the Lord in ministry for over 50 years. Although their passing was a great shock and loss to many of us, we rejoice in the sovereign will of Almighty God, knowing that precious in His sight is the death of his saints. We are so thankful for the many years of faithful ministry to the Lord. He and Mavis dedicated their lives to the Body of Christ and we have all been eternally blessed by their sacrifice. They most certainly fought a good fight, finished their course and kept the faith. There is therefore laid up for them a crown of righteousness. They have now joined the ranks of that great cloud of witnesses. May the fruit of their labor continue to flourish in the earth until His glorious appearing.

## BREAKING THROUGH THE VEIL

by Cecil J. duCille

We Praise God for His blessing and His mercy that has brought us here today, the devil having had so many chances to kill us – but he didn't make it. And we are thanking God for His abundant mercy and love to bring us together at this time. We would never be able to come together without God giving a Word. 'His word is a lamp to our feet and a light to our path.' (Psalm 119:105).

I have heard God speaking in our congregation in our songs, and in prophetic word that came from Brother Streblov. There were prophetic words from two sisters that had prophetic words. We thank God that there is prophesy in the Body of Christ in the midst of us; that God is speaking through the Body in prophesy. You see, God created a prophetic ministry so that the prophesy would be given to the Body. I don't know if you understand it? That the minister ministers to the Body and the Body ministers. That is the end result of ministry, so that when God abolishes ministry: The prophetic ministry will be abolished. The apostolic ministry will be abolished. All of the other ministries will be abolished. Guess what we will be? The WHOLE BODY will be the ministry, and then you will turn around and minister to the world. This is what God is training you for; to minister to the whole world; to bring the world alive! Hallelujah! Because death will not triumph over God's creation; God's creation must triumph over death! So that there is no way that Satan is going to have anything near a victory, and we are the people who God is training

to use. Now when I said, "We are the people", please believe me, that WE ARE THE PEOPLE! I didn't mean us, I mean WE.

In other words, God is creating a people to finish the job: that Peter, Paul, James, John, and the apostles began; He is using a people to finish it. And this is why, when God made Adam, He knew all the trouble that was going to come. He knew all of the destruction, and He looked at Adam and He said, 'It is good.' (Genesis 1:31). A prophetic Word, God said that 'it was good', when it wasn't good, but He saw things that are not as if they were. God saw it, that we would come forth and be victorious. So when we started singing our songs about Zion, I just wonder if we know what we are singing? Because you are singing about Zion, the very heights of God's creation, that God is creating within you. You sing, Ah Lord God, "Create in me a clean heart, and renew a right spirit within me." (Psalm 51:10).

Listen, Brother Campbell called me. We are talking about the prophetic ministry. So God has not only given us the **prophetic ministry**, but He has also given us **prophets**. Yes. Prophets, people whose duty it is to prophes. Did you understand that? You have a job, and your job is to prophesy. But the daughters of Philip prophesied. They weren't prophets. But there was a prophet named Agabus. (Acts 21:10-11) So, do you understand what we are talking about? So God is creating something. He is creating a prophetic nation, a prophetic body. He is creating an apostolic Body. You don't have to worry about trying to be an apostle now. It is not your time. Amen. Your time will soon come when all the ministry of God will be incorporated in the Body. Do you understand? When God incorporates the Body with the fulness of Himself; the Scripture says that Jesus Christ was the "Godhead bodily" incorporated, (Colossians 2:9); a walking, talking, God-man. He was the prototype of what God is making us to be.

Is it too much? You know people are saying, when they criticize us, I am sorry for them; I pray for them. Anybody criticize me, I pray for you. Hallelujah! Amen. Do you know why? I'm not perfect, BUT I have a Spirit that is perfect; and if I can only keep my ears and my heart to follow that Spirit – I will deceive you that I am perfect. I'll act like I'm perfect and some of you believe it, but it's not true. BUT I have a perfect Spirit, that is what you are seeing. I'm talking about you! The same is for you!

You see, we are sitting down here and we have God ministering to this body. We talk about the fire, and the fire fell three times: the Holy Ghost fire, because there were other fires. There was a fire

that fell in Sodom and Gomorrah. Ha, you don't want that fire, although we are going to get it. But, the fire that we are talking about is the Holy Ghost fire. You know, the fire that lifts you from one realm; from one dimension of God's creation, to another realm; and to the very highest realm, where you become like God. Amen. So God is taking the dirt, and He is going to make the dirt immortal.

Immortal Dirt – that's what we are.

He is going to make the dirt immortal, and out of the immortality of the dirt He says, "*And this mortal shall put on immortality*", Hallelujah! "*...when this corruptible shall have put on incorruption....*" (1 Corinthians 15:54). You can't be corrupted any more. You can't come to corruption any more. You can't be killed any more, when you have attained. And I am saying, brethren, it is just years down the road before this company of people walk into immortality. IF THAT IS THE CASE, WHY ARE WE SO WORRIED ABOUT NATURAL THINGS? Amen. We should be putting everything' all of our hearts and souls INTO that immortal investment. Oh God help us! God help us! Amen.

So the fire fell three times. And the first time the fire fell, amen, was when Moses obeyed God. He said, 'Attend to every detail, every iota, every detail of what I tell you to do, DO IT, and build this TABERNACLE according to the pattern that I have shown you in the mountain.' (Exodus 25:9). The man could neither eat nor drink water for forty days while God was instructing his soul, and engraving into his soul a pattern. God was drawing a pattern of a building that he should make into his soul, so Moses could not forget one detail of what God had said. Amen. Hallelujah! And when Moses instructed them, "do this", "do that", somebody said, "Well, I can do it another way." Moses come, he said, "NO! Throw it away. Do it this way." Because God told him how to make the tabernacle.

And I wonder, "Why?" "Why?" "Why did God go through so many details to make the tabernacle?" No man knew. It was one of the mysteries and one of the secrets. But when Moses did it, and he said, "Now Lord, I am finished." The Bible says, 'when he finished the work, he dedicated the work to God.' He said, 'Lord, here is what you told me to do.' God said, 'Amen.' And when God said, 'Amen,' fire fell down from heaven, and it burnt up the wood and the fire remained for 490 years in that tabernacle. (Ref. Exodus 40).

Nadab and Abihu came in and they messed around with God's fire. They took fire from their house and they brought it there and they put it on

God's fire. And they went into the Holy Place and they lighted the lamp with their fire. And they went to the Altar of Incense and an explosion occurred and it killed them right there, struck them dead. (Ref. Leviticus 10).

And you wonder, what is this that God is talking about? God is saying that no "strange fire" must come into His tabernacle. No "strange fire" must come into the House of God. So, what do we mean by "strange fire"? Well, I give you one: Psychology. Yeah, when you get sleepy, I make a joke to get you laughing and to liven you up again - Psychology. Oh yeah! You look at what is happening.

So God spoke to Brother Campbell, He told him, he said he saw the word "Ichabod"; and he said, "My God, what is the meaning of this? Does it mean that Your Spirit is going to be taken away from us?" He said, "No." He is taking His Spirit away from the Church. Do you know what that meant? Anybody who is playing Church, not necessarily out there, but also in here, that God's Spirit will be taken away from you. Anybody who is going to work upon his knowledge and preach a message on his knowledge; and do this because he is capable here; or he is capable there; he is going to lose the Spirit of God. So God said.

He said he saw the Spirit lifting from the Church, and it is a horrible thing. I began to look to see – I believe the Word – but I'm looking to see the truth of it. And I looked at one thing there, and I mean it is just amazing – just amazing that church people can think that is God. Did you hear me? I saw on Sunday morning, in a church in Atlanta, they have what they call the "dance of praise". Amen. Now brethren, I come up, I mean when I was young, I came up in the Pentecostal Church, and when the Spirit of God came down and people began to dance, it was nothing like that. I mean you shout and you jump sometimes, and when you come to yourself, you are way down in the back of the Church. You don't know where you are. Amen. They dance the "dance of praise", and what I saw – it was like the Chinese girls when they dance with the long ribbons, and they run and jumping and carrying on. And that is the "dance of praise"? **GOD IS GONE! HE IS NOT THERE!** And the people are saying "Amen!" and they are rejoicing; thousands of people.

And I look at these churches; big churches with thousands of people, and they have all kinds of gimmicks. You know one man, he goes on like a "dog". "Hhwr!" "Hhwr!" "Hhwr!" And he gets them jumping. Then he says, "All right. I'll count to three and at the count of three, everybody will shout!" **GOD HAS LEFT! GOD IS NOT THERE!**

Amen. And it is not just one or two, but I see so many of them. No substance at all! **GOD HAS DEPARTED!**

**BUT THANK GOD! HE WAS HERE THIS MORNING WITH US !!!!! AMEN!!!!**

We thank God! We are not saying this because we are great. But let me tell you something. It is secret now! If you turn your heart to God – He said, ‘if you start worshipping God *in Spirit and in Truth* – He will be with you anywhere you are!’ (John 4:23-24; 14:17;). I don’t care how much crimes you committed. Do you hear me? If you commit a crime; if you commit a sin, do you know that you can have God with you? Why? You just obey the scripture. He said, “*If any man sin, we have an advocate with the Father, (even) Jesus Christ the righteous:*” (1 John 2:1). So when you commit a sin; when you sin; when you say something that you should not say; when you feel something move that is wrong; GET DOWN before God and say, “God, I am sorry! Forgive me! Deliver me!” Amen. And God is with you. So you have no excuse to not have God with you.

Now, the Word that the Lord was speaking to me is “**BREAKING THROUGH THE VEIL**”. We have spent a lot of time sitting down here. If you feel weary, you get up and stretch yourself and say “Praise the Lord!” And everybody will know that you are tired, and you will lose that sleepiness. So Praise Be To God, but I must deliver this Word to you to lift us up at the beginning of these few days! We don’t want to waste any time at all.

The **veil**; breaking through the veil. Now first of all, I am not going to waste any time. I want to tell you what the veil is. The veil is the flesh that you have onto you there. **The veil is the mind of the flesh**, that works with the flesh. We can’t point to someone and say, “You have a veil. You are fleshy. You are fleshy.” You had better watch out, you are also fleshy. Jesus Christ, Himself, had to fight to break through His veil. Do you realize that Jesus Christ fasted for forty days and forty nights without water? Let me tell you. I don’t know how He did it, although He is God. But He could not have done it naturally. It had to be spiritually; because the Bible said that the Spirit of God drove Him out into the wilderness. (Matthew 4:1; Luke 4:1;). Isn’t that right? Now I don’t know if you know what the wilderness really is? It is not 50°. It is more like a 150°. For Him to be out there, and the heat drying out every substance in His body, and not to have a drop of water – it must be God. Forty days and forty nights; the Bible said He neither ate

bread, nor drank water. Most of us when we are fasting, we have to drink water.

Now let us look at this word, the **veil**. In Hebrews 10 and verse 20. You have that for me brother? Will you read it for me please, with a bit of context:

*HEBREWS 10:*

18 “*Now where remission of these is, there is no more offering for sin.*”

19 “*Having therefore, brethren, boldness to enter into the holiest by the blood of Jesus,*

20 “*By a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh;*”

21 “*And having an high priest over the house of God;*

22 “*Let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience, and our bodies washed with pure water.*”

23 “*Let us hold fast the profession of our faith without wavering; (for he is faithful that promised;)*”

Praise God! Now Jesus Christ went THROUGH THE VEIL. I want you to notice that when He died, “*the veil of the temple was rent in twain;*” (Mat 27:51; Mar 15:38; Lu 23:45;). That means that SOMEBODY HAD GONE THROUGH! You see? And God wants us to go through OUR veil. BUT then what is your veil? I mean, you say, “flesh”, but that is not good enough.

We have a seven-fold veil – seven layers of flesh – seven layers of flesh that we must go through. When you came into Jesus first, you didn’t do it of yourself. It was God that did it. And actually what He did, He forced you in. There was no other way in for you. For me, it was death and hell from the gun that was on the bed, or Jesus Christ. I had come to the end of the road and there was no other way to go. And if you check your salvation, you were forced into it by circumstance. You started feeling the pressure that God had put on you. The Bible says that “*...No man cometh*” (help me brethren), “*unto the Father, but by me.*” (John 14:6). That means to say that it is by Jesus Christ that every one comes unto the Father. You can’t boast and say, “Oh, I love God, and that is why I am a Christian.” “I just love God so much that I just went in and gave myself to God.” It is not true. Amen. ‘You loved God,’ “*because He first loved us*”. (1 John 4:19). And because He gave His life for us, His blood touched us.

Now the Blood of Jesus Christ is the power that God had left. God took it out of His bosom. He

put it into Mary's womb. Mary brought forth a child with the blood of God in him, and the child had to get rid of the blood of God so that you and I could get it. There is no simpler explanation. Because the Blood of God is the Life of God and the Life of God when let loose in this world, it began to change the whole world. Isn't that simple? And so now, this Blood of Jesus Christ, which is here this evening/this morning, is the deliverance that we have AND our only hope.

You only have to reach up. You know I was thinking while we were praising, the praise started down very low. Like you speaking in a **subtle voice - very low**. And it came up a little bit, and you are just praying to God, "Lord God!" WE ARE TALKING ABOUT DIFFERENT REALMS OF ENERGY. It is not because you are singing with a loud voice or anything like that. NO! NO! The ENERGY, the PULSING OF THE SPIRIT that you feel in the midst as you listen to the words of God. There is a throbbing, a vibration, of the Spirit of God that THROBS within your soul. Sometimes you have to control yourself. In former days, when I couldn't control myself, I would jump up and leap over three or four benches. Oh yes. One time, it was so bad, I could not control it. Oh yes. I remember praising God, and people came from all over to hear this man, because I was bellowing like a bull. And all the farm, they came to my house and gather around my house to listen to me praise God. Hallelujah! Gone out of myself completely! Fasted for twenty-one days and felt like I had done a crime when I went off the fast, so I went on for three more days. In the three days, they said I was crazy, but I wasn't crazy, I was just filled with God. Hallelujah! Hallelujah!

It is possible. God is saying that there is a certain amount of spiritual energy that He has for us here. It is for us to reach up and get it. If you don't reach up, you don't get it. You can sit right where you are and the person beside you receives the Glory of God and you don't get it. Now, so therefore, there is a breaking through that you have to break through. There is a little unfortunate thing, but I know that God makes up for it, because God creates an equilibrium. Remember that now. God creates an equilibrium in the earth. That if there is a person who never heard of God, he is in a good position. Because God must - did I say "God must"? (Yes.) He must. God must get to him. You see, when Jesus died, He died for the whole world: All the Muslims out there. All the Hindus out there. All the sinners out there. All those who never heard of Him. He died for them. And because you heard, because you were born in a country where you can hear, that you think that you are above that

Hindu over there that never heard of God - You are making a sad mistake. For God has a responsibility. GOD HAS A RESPONSIBILITY TO SAVE HINDU AS MUCH AS HE HAD IT TO SAVE YOU!

So that Hindu cannot die and go to hell UNLESS he rejects Jesus Christ. In other words, God has put Jesus at the cross-roads of time. Hear me now! Those before Jesus who died without Him and never heard Him, Cain killed Abel; he died without Christ. He had to come to a point where he met Christ, and said, 'Lord, I will accept You, or I will not accept You.' So, you do not know who is in hell. You don't know who is in heaven or who is in hell. Of course, we know some people who are in heaven, because we had the manifestation before they passed. Bless God Almighty!

I remember my mother passing, and I know she is in heaven with God. She didn't work for it. She didn't earn it. She was a most surprised person when Jesus came in and held her. And she began to tell us all, "LOOK AT THIS! LOOK WHAT IS HAPPENING! I am a wretched sinner. I never served God in all my life, and so look at what God is doing with me?" Amen. Amen. Bless God! Well you see, she had forgotten that she prayed sometimes and that God answered; that she did say to God, "Lord, I want You to take one of my sons. I want You to take one of my sons and let him be Yours." She used to read the Bible every morning. You had to get up and read the Bible before you get outside there. BUT all that was just nominal. Amen. She was just doing it nominal, because she thought that was the way. BUT God came in and saved her, and I will be eternally grateful to God that He saved her.

I tell you what, He saved my brother. My brother was the first one who lived. My mother had four children who died. And then she prayed to God and God showed her a vision: And He said, "Call this boy such and such a name. You are going to have a boy and I want you to call him by this name, and he will live." So she called him by this name, (a very peculiar French name that I won't even mention to you). And he lived and after he lived, everybody else lived. No more children dying. I mean, I am just telling you about the Glory of God. **God works with people who don't know Him, who don't believe Him or anything like that.**

And he lived. And after he lived, then came my sister and everybody else lived after that. But one day, while I was a child, I wasn't even seven because I remember at seven I went to school. But I wasn't seven, and I was playing under the house with bottles; tying up bottles and drawing them

like a train through the dirt. Is there anybody else here ever did that? You don't do those things. So, while I was playing the Lord came to me and said, "I'm going to take away your brother's birthright and give it to you." I don't know – a child of seven years of age, I don't know what it is all about. But when I got saved, I found out. I said, "My God, You took away my brother's birthright and You gave it to me. Now, I'm going to ask You to save him." Amen. And God made a covenant with me that He would save him, but he went from bad to worse until he became the leader of a gang. Strange enough, in the daytime, he was an engineer; working for the big factory as an electrical engineer. The factory couldn't do without him, he was so good at his work. But at nighttime, he was out there with the gang.

And God called me one day while I was in Fort Lauderdale. He said, "Go and tell your brother about Jesus." You see, there is still that human element that God works with you. **God tells you He will do something, BUT you better do your part.** God sent me. I took the plane and went down; got him, put him down. For the first time in our lives I have ever been able to talk to him. I said, "I want to talk to you. God sent me to talk to you." He said, "All right," and he sat down, just like this. I talked to him for two hours. He sat down just like this. Not a word! I said, "That is it." I said, "I know you don't want me to pray with you, so I am going to leave you, but YOU PRAY TO GOD!" You know! One month after that, he was dead. Amen. One month after that, he was dead. SO I said, "THANK YOU JESUS!" "THANK YOU JESUS!"

Why am I thanking Jesus? **Because God is a prayer hearing and a prayer answering God! HE WILL NOT LET YOU DOWN.** Do you hear me?

THOSE OF YOU WHO HAVE PRAYERS BEFORE GOD –

- STOP WORRYING ABOUT IT!
- Put the prayer before God;
- Believe God; and

**HE IS A PRAYER HEARING AND A PRAYER ANSWERING GOD. AMEN!**

My brother had received more of the destructive power in the family than I had. They were all violent. He had some more. God had to bring some equilibrium with him. God had to balance it out so that although He gave me his birthright, he would not go to hell. AMEN! I told Him – I said to God, "Well God, You took him." I said, "I know that he is in heaven." And I believed God. Do you know what happened to me? One

day, I went into a vision. Hmm? I went into a vision and I saw him, just sitting down there in his usual quiet way, smiling at me. I said, "Wait, you, what happened?" He explained the whole thing to me. He explained the whole thing to me, that he went to the doctor. He had a stomach ache. He went to the doctor and the doctor gave him Mylanta. When he went home, he found himself sinking. He had no power to talk. His whole body was constricting, and he was poisoned. Yes. And he said he felt his feet hot, and he was slipping down off a hill, and he looked and he saw a lake of fire below him. His feet were getting hot, and he was slipping down, and all he tried to hold up – he was slipping down into this lake of fire. AND HE CRIED OUT – "JESUS!" Why did he cry out Jesus? Because I ministered to him and the WORD OF THE LORD came back to him, AND HE CRIED OUT – "JESUS!" Amen. And he said the moment that he cried out "JESUS!" Angels came and lifted him right out. And that was it (the vision).

Now, you can believe that story if you want, or you can say, "Oh, it was just a figment of my imagination." BUT I know what it was! It was God answering my prayer. Amen. It was God answering my prayer.

What I am saying, he had this ancestral spirit; a spirit of violence; a spirit of anger that would motivate him to do anything. I wonder if anybody here has that? This is part of the **veil**. This is part of your flesh that you inherited from your parents. Do you understand? There is a spiritual inheritance that is flesh. Amen. *Nobody can cross you, amen. Nobody can cross you.* YOU HAVE TO OVERCOME IT! Do you know why? Because God has given you the power to overcome it! God says that there is no spirit on earth that you have not got the power to overcome. AMEN! AMEN! Every spirit that walks this earth is a trespasser. God gave us the kingdom. God gave us the world, and He said He had *given the world to man, and the heavens is for God.* Amen. So then, God has given us the world, and we cannot be overcome unless we reject the power that God has given us. God has given you power to live. That means everything and anything – I'm talking from financial problems, right down to the sin in your body. ARE YOU WITH ME? THAT GOD HAS GIVEN YOU THE POWER TO OVERCOME IT! YOU HAVE THE POWER! And it is so simple – exercise it by speaking it out. Do you know that the Bible said that Satan himself, the great mighty Satan himself flee from you? When you resist him! Once you start to resist him, he will go. He has to run. He cannot stay. Amen. Therefore, we are responsible for the world. You see what is going on in the world? We are responsible for it.

Last time I was here with you I shared with you that God had shown me something about the Muslims, and that every time it came around to Ramadan, they would have great victories. A lot of them would die, but they would have great victories. And the Lord told me that those people who were terrorists, that were killing and killing and killing and they could not catch them. Sometimes one minute after they leave, then the soldiers would come in, and they couldn't catch them. God says, "They are being protected by spirits!" That you have the power to remove the spirits from them; to tear off their protection. But if you don't use the power, then they will continue.

We had a brother in Jamaica; he visited us in Florida, but he has never been here; but one day, he was inside his house and he heard a great crash outside. Men were trying to break down his door, and was threatening his wife. And they started firing – shooting. He grabbed his machete and he rushed out – I mean, your wife is in danger, your house is in danger. They are going to shoot up your wife and your children, and you are just beside yourself. The only weapon he could find was his machete. He grabbed his machete and ran out and began to sharpen the darkness and bullets were flying all around. He chopped the man on the hand who was firing the gun, and the man had to run. Imagine a man firing an automatic weapon and you have a machete in your hand? When we looked at the machete brethren, you would not believe it. The machete was mutilated with bullets. Yes! Mutilated the machete, all bent up, all the bullets went on to the machete that the man had in his hand. One bullet caught him in a flesh wound here. Amen.

What happened is that the man in his fright – I'm talking about the brother in the Lord – his fright, and he rose up in the Spirit and he lost his fear. That is the first thing that happened, he lost his fear. And he rushed out in the name of the LORD and ALL the bullets went on to the machete. Amen. Amen.

Audience: So what are you saying?

Brother Cecil: I am saying brethren, that **YOU HAVE GOT TO BEGIN TO USE THE POWER THAT GOD HAS GIVEN TO YOU TO BREAK THROUGH YOUR FLESH!** Hallelujah!

When they went into the Tabernacle, they went into the first veil. The first veil that is the flesh is the GATE. Notice that God said to put up a hanging there at the gate – a veil; and the first veil is the Gate. (Exodus 27:16). You went in through the gate and you received a certain amount of power; but it was not all that God had for you. You

had to die, you had to die, because when you went to the [Brazen] Altar of sacrifice, you had to die and accept Jesus as your Savior. So there you died with Christ. Amen. But He said that you had to go to another point where you were buried with Him. Buried with Christ, and then you resurrect in the [Brazen] Laver, where the priest washes his hands. So when that second work is done in you, God is willing to put you through the veil, the second veil, which is called the Door. Now this door, this door is CHRIST. But in order to get through this door, you have to let the Holy Ghost take charge of you.

The problem we are having in the Church is that we are not submitting to the Holy Ghost, for it is the Holy Ghost who must take you through the veil. Can we understand that? The Holy Ghost must take you through the veil. But now, we are talking that the Holy Ghost must take you through your parents problems that you have inside of you? Your temper? Yes! Your temper? You have to get to a point where you put your temper before God; and where you ask God to take it, and when God takes it – He tests you and you say, "Praise God, I'm free!" Amen.

Now in my time of sin, nobody could even suggest to me that he wanted to fight, or he wanted to hurt me; for if he suggested it - that would be a fight right away. Amen. So, I had a problem, and I had to get through this problem, and God had to take me through it. So when I got saved, I thought "Thank God I am free!" I thought I am free from everything. But the first day that a man came and challenged me to fight me, I felt all the motions of hell working through me. Have you ever felt that? Brethren, the man is standing up there; I am sitting on a horse; and he is standing up there and he is saying, "**You so and so and so. You get off that horse and you will see what I will do with you.**" Now this is a little man. He is talking to a person who has been fighting on the street for years, and who would just kill him with one touch. And I'm there and I'm saying, "My God, I thought I was free from this thing." I start trembling. I start sweating from head to foot, and start trembling because I am trying to keep down the devil that is in me. Amen. I saw kind of visions before me. Vision of the man dead. Vision of what I am supposed to do with him. I can't move. I said, "I could not trust myself to come off of that horse." Remember I am preaching now, you know, and all the wonderful testimony that I have out there – the devil is going to dash everything to pieces by one act. And I said, "My God, I am disappointed. I thought I was free, and I'm not free!" Amen. You know, Brother Sia, I had a vision of you coming to me and explaining certain things to me. I said, "Please pray for me." Hallelujah! Hallelujah! That

means that the man had been seeking deliverance from God from the same spirit that I had. Amen.

Brethren, I couldn't eat. I went on a fast. Did somebody say, God tell you to tell them to fast? Let me tell you something brethren! Out of the flesh, you won't get that thing out of your flesh unless you fast and pray. *"Howbeit this kind goeth not out but by prayer and fasting."* (Matthew 17:21). Amen. This man sitting here, he was a revolutionary. Yes. He was a revolutionary, I'm not talking any tales out of school, a communist revolutionary. GOD HAD TO TAKE IT OUT OF HIM. Amen. Unless you surrender that thing, acknowledge it right now, he said, "God, I do not want this veil of my flesh to cover my spiritual progress ANYMORE! TAKE IT LORD GOD ALMIGHTY!" Amen! Yes! And so I went in greatly defeated; greatly disappointed. "God, I thought I was free, and I am not free anymore." So I went and fasted. I can't tell you how long I fasted, but I fasted until my body seized up one day while I was at the typewriter, and there was a seizing in my joints, and I couldn't move. And I was sitting down there and the boss came up and said, **"You are fasting again!"** Amen. It was the that devil tell him that. How could he know that I was fasting? Anyhow, the Lord, after some period of time, keep fasting, couldn't eat anything, AND GOD BROUGHT THE DELIVERANCE. And you know the story of how the man came up and beat upon me? And for the first time in my life, I didn't feel the quickening to destroy him. I felt a pity come over me. "Lord Jesus, poor fellow. If I should ever hit him, how would I ever face You?" Amen.

Yes! When Joseph had that problem, let me tell you brethren, Joseph would not have gotten that test had he not had a problem. He was being tempted by women, and in his heart he cried to God.... Now this is not in Scripture, but I am telling you what I know. ANYTIME GOD GIVES YOU A TEST, IT IS BECAUSE YOU HAVE COME THROUGH A CERTAIN AMOUNT OF FIRE AND HE IS TESTING YOU, FOR IT IS BY THE TEST THAT YOU OVERCOME. He has given you the power to overcome the devil now, and once you hit that spirit, he will never come back. Joseph was tempted, and he went in with the cup to this woman. You can't tell me, that woman had been admiring him long ago. He is no fool. He is conscious of her admiration. But when she made the move on him, what did he say? He said, My God, *"How can I do this great wickedness, and sin against God?"* (Genesis 39:9). Look at the words, for the fact that he questioned "how could I do it and sin against my God?" Now he chose something. I'd rather die. Do you know that at that moment he knew he could die? One step, he ran down the hall

naked, he knew he was going to be arrested and killed. And God moved upon Potiphar, because Potiphar knew Joseph, and he knew his wife. He knew his wife wasn't an "innocent" girl. He knew his wife. And so Joseph overcame that temptation – he choose death. He choose death rather than "commit a great sin, and sin against my God." He didn't get death, but he got prison; imprisonment.

Brethren, any of you who have been in prison, you would rather die than go back. If you don't know, I'm telling you about it. Once you have been in prison and you get out of prison, you would rather die than to go back into prison. And that is what Joseph chose that day, he chose death!!! When he chose death, he slammed the devil a body blow, and overcame him. *"...they loved not their lives unto the death."* (Revelation 12:11b). I'm talking about the veil of flesh that you have upon you. Do you hear me?

I don't know if you noticed? That the battle is first in the mind, and then the body only performs what the mind tells it to do. So then the veil of flesh that was over him, got busted. That day he got DELIVERED from his sexual problem! He ran down the hall. They arrested him. He was sent to prison. Amen. But guess what? HE BELIEVED GOD!

You God, Your promises are sure, Your promises are everlasting. Your promises will not fail! Amen. **GOD YOU WILL NOT FAIL ME! SEND ME TO PRISON, OR LET THEM KILL ME – YOU WILL NOT FAIL; YOUR PROMISES WILL NOT FAIL.** What was the promise that Joseph remembered? *"...the sun and the moon and the eleven stars"* bowing down before him. (Genesis 37:9b). That had not happened yet, and Joseph said it is going to happen. Have you ever had a promise from God? You see God gives you a promise when you are going into darkness. Because the darkness is going to tell you everything opposite to the promise that God gave you. And if you HOLD ON TO GOD'S PROMISE, you will not fail. And he held on, and God brought him out, and you know the rest of the story. The SUN, the MOON, strange enough, the MOON wasn't there. His mother had died. Actually she died at Benjamin's birth. Yet *"the sun and the moon and the eleven stars"* bowed before him. And Jacob said, that means that your mother and I and your brethren are going to bow down to you? (verse 10). As far as he was concerned, he was there representing he and his mother. Hallelujah!

So then, we are seeing God working in the Body. Are you going to deliver yourself up to God and say, "God, let me die at the Baptismal Altar!"

DEATH

## BURIAL

### RESURRECTION with Christ

Death, Burial, Resurrection with Christ, --- You ask me, "Brother Ces, how can I be in the Holy Place and I'm not fully dead?" That's Right! None of us are fully dead. Do you know why? Because that work that had been done at Calvary, when you came through the door, the first veil, it is still going on. The work didn't stop to let the second work go on. The third work didn't stop the second, or the first. So how many works have you got going on in you right now? That is where you are!

So then some of us have more trouble in the flesh than others. Do you hear me? Some of us have more trouble in the flesh than others – BUT none of us were created to be defeated by the flesh. DO YOU HEAR ME NOW BRETHREN? It is God's plan for you to have trouble. Oh, that sounds bad, doesn't it? That sounds a little bad. It is God's plan for you to have trouble. He said, "*...we must through much tribulation enter into the kingdom of God.*" (Acts 14:22). Why? Because it is the trouble, it is the resistance that creates the deliverance. Amen. Listen, hear me! God said to Abraham, I am going to give you a son, and you look up in the stars and you see the multitude of stars that are innumerable. (Genesis 15:5). He said, all right, your children from this son will be as innumerable as the stars of the heavens. Huh? Promise? Yes! It is a Promise!

No sooner than this man sat down and felt so glad, so wonderfully happy-but "my Isaac is going to be the progenitor of the Christ generation." God called him one morning and say, "Kill him!" (Genesis 22). Put yourself in this position. This is what is happening to you in everything. Every promise God gives you, the devil works against it and you see the opposite happening. **GOD WANTS YOU TO HOLD ON AND SAY "GOD NEVER FAILS!"** Yes! He just gave him the promise, and then He calls him and tells him to go and kill the boy. **ABRAHAM BELIEVED GOD AND IT WAS COUNTED TO HIM FOR RIGHTEOUSNESS!** (Genesis 15:6; Romans 4:5;). Abraham was not righteous. **RIGHTEOUSNESS WAS IMPUTED TO HIM BECAUSE HE BELIEVED GOD! AMEN!** That is all God wants you to be! **TO BELIEVE HIM!**

Abraham went with his donkey and his equipment for a sacrifice, and when he got into Jerusalem, Amen. There was no Jerusalem there, it was all bush. It was all trees and mountain and stone. God said I want you to go to the top of the hill and there I want you to offer a sacrifice. (Genesis 22). Do you realize brethren, that is the

same area in which Jesus Christ was crucified? Huh? The "stone of Onan", or what now they call the "Mosque of Omar", sitting down over the stone; is the very stone on which Abraham offered his son Isaac. So when Abraham went up there, he said to the young man who carried the donkey, he said, we are going up in the hill to offer a sacrifice to God, and we will both come back to you. Read your Bible and see if that is what it said. He said, we will come back to you.

Now why did he say that if God told him to go kill the boy? He just did not believe anything else, but that God was going to do something marvelous. But his duty was to kill the boy. He made up his mind. He tied up the young man, who never resisted him. He put him down on the altar. He took out his knife, and he made up his heart, and God stopped him. He had to come to the point of no return with that knife. Do you hear me? He had to go down, and he was going down for the heart, when the angel of God stopped him. Do you know what happened inside? **GOD SAID, "NOW I KNOW YOU ABRAHAM!" "NOW I KNOW YOU!"** What happened? The Abraham that was on the bottom before he started going up the hill, God didn't know him until he got on the hill? The moment he did that, something was created in him. **AMEN!** He was a **NEW CREATION** occurred. Therefore, God wants you, **THE MOMENT YOU OBEY HIM, THINGS ARE BEING CREATED IN YOU AND THE NEW CREATION MAN WILL COME FORTH IN YOU BECAUSE YOU HAVE EXERCISED WHAT GOD WANTS YOU TO DO.**

You go to the treadmill and you exercise, you exercise, you build muscle, you **CREATE** something. You create muscles because of the exercise. God wants you to do what He wants you to do and you have to do something that I don't have to do. Your **JOB** is **WHAT GOD WANTS YOU TO DO**, and whatever God puts you in, whatever condition you are in, whatever position you are in – God put you there in order that that position might **CREATE** in you the Christ Man that He wants to **REMOVE THE VEIL! AMEN! THE VEIL THAT IS WITHIN US AND UPON US!**

Sometimes it is intellectualism. We are up in the mind; we dwell up here, and it becomes a barrier between us and God. Hhmm? It becomes a barrier between us and God. Hallelujah! And God is doing everything possible to remove it from you. Amen. Don't you understand? And so, the different endowments, as you go through the tabernacle; let me show you the walking through the tabernacle.

You walk from the death, burial, and resurrection with Jesus Christ, which as far as you are concerned, it was only a covenant. You do not

become "Covenant Children of God" until you get to the baptism, you know. Did you know that? God made a covenant with you, to save you out of your sin, and now you have to turn around and make a covenant with God. "I will walk with You in death, in burial, and in resurrection." That's the covenant you make with God in baptism. Hallelujah! And when you do that, the Holy Ghost comes in and He takes you. And if you really did the covenant RIGHT, you will receive what we call the baptism of the Holy Ghost. Come on Brethren, are you there? Amen! When you receive the baptism of the Holy Ghost, then you are clean and you are ready to be consecrated. **Never consecrate a dirty vessel.** The vessel has to become cleansed before the vessel becomes righteous.

So you consecrate – what is consecration? Giving to God for the purpose of God, that which has been cleansed. Giving to God for the purpose of God. You wash your dishes. You don't put them on the floor after you finish washing them. "Well, the floor is a nice place to stack them." Well, if you stack them on the floor, they would no longer be clean, or considered clean. You put them up. You take the glasses, the drinking glasses, and you put them up to someplace, generally a cupboard where they are closed in, because you don't want them to get dust and dirt on them any more before you would use them to drink with. Amen. So it is, they are consecrated for one purpose. Amen. You don't take the dish that you eat at the table with and feed the dog with it. Amen. You understand? You don't wash your clothes in the toilet bowl. ARE YOU THERE WITH ME? That is what we call consecration. They are consecrated for a specific purpose, and you only use them for that purpose. Hallelujah!

So God wants you for that purpose. In order to prepare you for that purpose, He endows you with certain gifts in the Spirit. He endows you with certain gifts. I have been in the Church for a long time, longer than most of you who are here were born. You know I'm not talking to you Brother Owen. You are exempt from this. I have seen most of the men who God has given the most powerful gifts, I have seen them perish; die; die through the gift. Oh yes! Jesus! Now people don't like to hear me talk about some things, but sometimes things come to me so strongly, if I don't talk about them, what am I going to say? Take my seat!

One of the greatest men, most gifted men on this planet, was a man named William Branham. I don't care what anybody wants to say about him, for they did not understand him, for William Branham did not understand himself. Amen. For some reason that only God Almighty can tell us,

the man was gifted with the Spirit of Almighty God. There are about 3 or 4 more people who he brought from the grave, (amen) and he functioned in a very strong powerful Spirit. Now a man functioning in a Spirit like that, he needs a Church to be with him; he needs the Body of Christ. But he did not have that. He had everybody looking up to him and putting him up there where Jesus Christ should be. It killed him. It killed him. Oh yes. One day he was going, he put off the meeting, and said he was going home to Amarillo to be with his children, and a drunkard ran right across the road; smashed right into him; killed him. That cannot happen to a Son of God unless God allows it, and God would not allow it unless it was His will. ARE YOU THERE BRETHREN?

You remember how I told you how the man came to kill me, down in Florida, last time I was here? It was actually October 15<sup>th</sup> (2005). I am parked in a line of traffic at a stop light. I am at the back of the line, and a truck just swept right in behind me. And already, the man had got the order to kill. He was coming at full speed up the highway; he ran right into the traffic line. He hit the truck, not me. Haha! The truck hit me, but that blow, if the truck was not there, amen? When we inquired from the truck man, he said he was going to Texas, but he made a mistake and came into the line. Yes! God sent him there to STOP the plan of Satan from coming to pass. We are under the protection of the Living God. Hallelujah! Amen!

So we come back to the veil that is covering us. Oh God Almighty, I pray, that we would break through this veil. You see, Jesus broke through the veil, but Jesus had to die. He prepared a True and Living Way!

*"By a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh;"* (Hebrews 10:20).

Huh? He broke through the veil which was his flesh, and by so doing, He prepared a True and Living Way that you and I can break through the veil and still live. I tell you what Brethren, when you pray, please pray against your flesh. "Lord God, this burden that I have in me" – Paul called it *"the body of this death"* (Romans 7:24). Oh yah! "This body of death that prevents me from walking in Christ." 'I am not praying that you should take the body out of the world, but I'm praying that you should take the world out of the body.' (John 17:15). Amen.

God comes in and He gives you a gift of the Spirit, and the Spirit is supposed to help you to rise higher in Christ. Yet many of us who receive it, we use it to get all puffed up! "I am a prophet;" "I am -

-- you know;" and everything else. **God Almighty is trying to bring up a Church that has no self life;** died to self; death to self. You do not want yourself any more. You are no great thing anymore. You have no ambition to be the "King of America". My God! Where did you lose it? **AT THE CROSS!** You know the scripture that the sister quoted? It said, help me now – **will humble** – Oh God help us!

2 Chronicles 7:

14 *"If my people, which are called by my name, shall humble themselves; and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."*

"I am so and so." "I am so and so." "I am so and so." "I am so and so." The "I" there – CUT OUT THE "I", and humble yourself. If you see yourself, the moment you see yourself, you become humbled; if you really see who you are. AND nobody should know who you are, more than you. You should know your mind, that it is not capable of godliness. The human mind is not capable of godliness. Godliness must come from somewhere else, into the human mind. Amen.

We are not a people who go to sleep when the message is long. We declare it. Hallelujah! WE DECLARE IT! LORD GOD, we are so quickened by the Spirit that there is no time. We are talking about removing the veil now. Pray against your father's spirit. Pray against your mother's spirit. That is what Jesus meant when He said, you must hate father and mother and cling to your wife. (Luke 14:26). He didn't mean that you should hate them by despising them, but He means that their ways, they will no longer govern your life. Amen. But there are family spirits; familiar spirits, that work in every family. Sometimes you find certain urges in your life, in your body, (amen) it is coming directly from the familiar side. Get the Word of God.

*"Thy word have I hid in mine heart, that I might not sin against thee."* (Psalms 119:11).

*"Teach me thy way, O LORD, and lead me in a plain path, because of mine enemies."* (Psalms 27:11).

*"Teach me thy way, O LORD; I will walk in thy truth: unite my heart to fear thy name."* (Psalms 86:11).

*".....deliver us from evil:....."* (Matthew 6:13; Luke 11:4;).

You know, the Word of God, I don't know if everybody here has the Word of God in your car, that you just pop in a cassette, or a disc, or

whatever, and hear the Word of God? But I know that Brother Gordon has the Word of God, the whole Bible on 3 mp3 CD's, and you can have it. You can have it. He sends them out to anybody. You must have the Word of God coming forth in your house at certain times – for sometimes you can't pray. Sometimes you are so oppressed that you cannot pray. Amen. But:

*"Thy word have I hid in mine heart, that I might not sin against thee."* (Psalms 119:11).

Brethren, I say, the time has come when we must break through the veil. Amen. If you still can get into a temper; you are in trouble. The Bible says that:

*"When thou sittest to eat with a ruler, consider diligently what is before thee: "And put a knife to thy throat, if thou be a man given to appetite."* (Proverbs 23:1-2) I'm praising God that that is the Old Testament, and it needs translation. It means that your emotional life needs to be possessed – POSSESSED BY THE HOLY GHOST. If you find out that your emotional life is not possessed by the Holy Ghost, go to God and say, "God, my emotional life is not in order." Do you hear me? "My emotional life needs to be possessed by the Holy Ghost." Now every time that you pray a prayer like that, you put your life down on the line. Oh yes! "Deliver me LORD GOD, or take my life." That is how it goes. "Deliver me O God, or let me go home." "But I do not want this emotion of mine to destroy any more people." Your children will be oppressed by the same spirits that oppress you. Come on now. I am coming to an end, but I need to get these points over as the Spirit brings them. **Your children will be overcome by the same spirits that oppress you UNLESS YOU OVERCOME THEM.** Do you understand? You must overcome the spirits that oppress your emotional life. Emotions! Thought patterns! Desires! Things that seem – look back upon your father; look back upon your mother.

I remember my father was a heavy drinker, and my mother came and said, "Don't be like your father." He was a good man, a very good father. He took care of his children, but couldn't stop drinking. God blessed him with diabetes. Did you hear me? **God blessed him with diabetes.** He had to stop drinking. Amen. So that spirit got nipped in the bud; both by my mother encouraging us and praying against the spirit. The spirit could not stay with us, so that my brothers did not become drinkers. Two of them got on the bottle, but the rest of us escaped.

**SO I WANT YOU TO UNDERSTAND WHAT YOU ARE DOING TO YOUR**

**CHILDREN! WHEN YOU DO NOT OVERCOME  
– WHEN YOU DO NOT BREAK THROUGH,  
YOUR CHILDREN ARE IN TROUBLE.**

Did it ever occur to you what is going to happen with the coming of Jesus? When He comes in His fullness in you, what's going to happen? Tell me Brother Peter, what is going to happen? You are sitting down there now – suppose the fullness of Christ comes in you? What is the first thing that would happen? I KNOW WHAT WOULD HAPPEN! I would say, "Lord God, in the name of Jesus, let my son arise!" Yes! I would pray for my children first. Amen. I would want to see my wife first!

You know, we were in a meeting a couple of weeks ago when I was down in Jamaica, and a man came there, the "Accountant", and he was far from God. And Brother Collie got up and said, "In the name of Jesus, receive God!" I mean, I had never heard such a thing before. The man never showed any signs of God. This man is a man of the world. He was embarrassed and he held on to his head and so and so. Do you know what happened? He got hit by the Spirit of God and the man is manifesting Jesus. Amen. Yes!

I remember with my brother, my brother was very worldly. Very worldly, I mean, just a "spree" boy. That is what we would call him in Jamaica, he was a "spree" boy. Or you would call him a "playboy". Well he was just having fun, up and down; dances; going on; women; everything. I looked at him one day and I said, "My God, Save him! Or kill me!" I said, "God, I will not eat a morsel until that boy is saved." You talk about spiritual energy! If you have the energy, you will do what God will do. God said whatever you desire, ask Him and it shall be done; (Matthew 7:7; Luke 11:9; John 15:7; James 1:5;) You break through your own flesh – OH YES! I said, "Kill me – I won't eat until that boy is saved."

Seven days past. It was Saturday. I was 70 miles away from the city, working down there, and God came to me and He said, "Go and eat!" I said "All right!" Amen. That means that the job is done. "Go and eat!" – Job done! So I said, "Praise God!" I praised God and I took something, and I said, I am going to go and meet him, because he is now saved. So I got a lift on a truck, and I went up to Kingston hunting for him. Can't find him. All day Saturday, and remember I have to be back at my work Monday morning, and Saturday I can't find him. Sunday I can't find him. We go and had some of the meetings and cast some of the blessings on some of the other people, but can't find my brother. Sunday night he comes in. He is no longer a playboy. He says, "Mama, I'm saved." "Oh my

God, I'm saved!" He had no doubt about his being saved. Amen. For he was there doing his job as some kind of scientific, they were checking out Christians, why is it that they behave like that? Why is it that they talk in tongues? So he went into a tongues talking church with his notebook, taking notes. That was the last he remembered – he was on the altar speaking in tongues. Oh yes! Hallelujah!

**GOD IS FAITHFUL! GOD IS FAITHFUL!**

Some of you have children and you want to give up on them. Man, don't give up. **NEVER GIVE UP! NEVER GIVE UP:** on your children; on your family; on those who you want to be saved. Speak the Word! "In the name of Jesus Christ, touch him now. Save him! Deliver him! Deliver her!" Hallelujah! Hallelujah! Hallelujah! Hallelujah!

You know, I am speaking to myself right now! Yeah! A couple of days ago we were saying, so and so, a couple of days ago she was behaving bad, and so and so and so --- Mavis said:

**"NEVER SPEAK ABOUT HER BAD BEHAVIOR!**

**JUST COMMAND THE BLESSINGS UPON HER!"**

Amen. She is going to turn around, and she is going to come right in this place, and testify of what God did for her! LOOSE! AMEN!

Hallelujah! Hallelujah!

I give you an idea – Carry on with the message! Let it go into your heart and begin to carry on with it, because we could preach more and more and more. BUT breaking through the veil is breaking through this flesh. Hallelujah! Where are the musicians? Play me a song! And then let's just close up with that beautiful sound.

**WITHIN THE VEIL**

Within the veil, I want to come;  
Within thy Holy Place, to look upon your face;  
I see such beauty there, none other can  
compare;  
I worship thee alone, within the veil.

# MINISTRY STATUS REPORT

Praise God. The Lord continues to open new doors of ministry and the word of the Kingdom is going forth.

Our name - *Sonlight Ministries International*. It's just a name; but it captures pretty well our mission and our call. To say it another way - to minister forth the light of the Son of God to the world. Praise the Lord! May he strengthen us for the work of the ministry until *we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ*.

In II Cor. 4:5-7 it reads: *For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake. For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ. But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.*

Ministry is such a unique privilege. It a supernatural amazing thing. To think that God would choose sinful man to reach sinful man with the truths of Almighty God. From salvation to the truth of Sonship, God has placed the Holy into the profane to show forth His glory and majesty. Amen.

Ministry is servant-hood... or better yet: *slave-hood*. The ways of God are so past finding out that they CAN'T fit into the carnal mind. It makes no sense that in dying, LIFE comes forth. It makes no sense that in spending yourself with no expectation of reward or gain, that an abundance of blessing and fruit can come forth. God's ways are higher than man's ways. Praise His name. So, no *greater love hath no man than this, that a man lay down his life for his friends* (John 15:13). Ministry is laying down your life for others. It's spending yourself and your resources that others might receive LIFE. It is a privilege to serve in ministry! Mathew 20:27 refers to ministry as a *servant*, but if we examine the word *servant* more closely it's *doulos* which means slave. The natural man is repulsed by the thought of slavery. Self is on the throne, and especially in

"free" countries, it goes against the grain of everything we've been taught. But true sons in God's Kingdom have such a love and trust for their Master, that they have resigned their will to His, and they have become His bond slave.

This ministry... Sonlight Ministries, is not a man, or a few people, but it is a BODY that is maturing in ministry together; and a body that is becoming the demonstration of the very thing that it is ministering. May God help us.

In the last few years God has allowed us to go into many countries in Africa, Europe and the Philippines. We believe He will continue to open new countries to bring this gospel of the Kingdom to many around the world. Besides the ministry here in the U.S., recent mission trips include Ethiopia, the Democratic Republic of the Congo, Nigeria, Sierra Leone, the Philippines, Czech Republic, and Germany. We look forward to returning to these countries this year and to other countries as God opens the doors.

We have also begun to publish various books and booklets of messages given by Bro. duCille and others that we believe will be a blessing and are very important for this time. A list of these books are found at the end of this newsletter and are made available to you on a freewill offering basis.

Last July we began publishing the OMEGA MESSAGE newsletter again. This periodical has been the central publication of Sonlight Ministries for many decades, bringing a source of life and Kingdom truths to many worldwide. Now we are launching a monthly ONLINE version, and will also continue to mail a printed version about four times a year. We pray for God's wisdom as we expand in this new area.

There are several general conferences held each year in the U.S. and in several other countries. We will again be holding a conference in early July in Mahomet, IL. It will be great time of ministry and fellowship together, and we hope you can attend.

The media ministry continues to expand with internet broadcasts and Mp3 & DVD recordings of messages and conferences. These recordings are also made available on a freewill offering basis. We encourage you to take advantage of this rich library of anointed messages brought over many decades of ministry.

All of these publications, material, conferences and broadcasts are available to you. If you would like to stay informed of these by email, please send us your email address request at [info@smint.org](mailto:info@smint.org).

Recently we have started a weekly ONLINE Bible study. We are currently studying the *Tabernacle of Moses*, and God is blessing it. This is held on Thursday evenings at 7:30 CST. For information on how to join the study please send an email request to [info@smintl.org](mailto:info@smintl.org).

On Saturday mornings we host a prayer conference call at 9:00 CST. This gives us the opportunity to pray for one another's needs, and to pray for the various ministry needs throughout the world. This again is body ministry in action and you are welcome to join us. Our conference line number is 712-432-0075 (access code 760863#).

We bless you in the name of the Lord, and thank you for your prayers and participation in this ministry for the *harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.*
